

STAINLESS PILLOW BLOCKS

Das Lager Germany Stainless Pillow Blocks are produced from austenitic stainless cast steel. It is specially designed to work under harsh conditions of washing processes which use various chemicals and other cleaner materials in food and beverage industry. Rather than standard products, stainless pillow blocks have higher corrosion resistance against chemicals. In addition to this, these units are available to work under high speed, high loads and high misalignment conditions.

- High quality stainless steel material
- High resistance to water and chemicals
- Minimum maintenance requirements
- Long service life
- Wide product range
